PRODUCT TOWER CO-OP PROGRAM

FRONT A

Introducing our brand new GeneralAire Product Tower, showcasing our top IAQ products including humidifiers, dehumidifiers, and air cleaners.

Products Included:

- GF4400A Fan Assisted Humidifier
- GF3200DMM Bypass Humidifier
- GF3200PFT Pulse Flow Through Humidifier
- GFMAC1400-11 Air Cleaner
- GF1625-11 Air Cleaner
- DH75 Dehumidifier
- GFMHX3 Manual Humidistat

<u>HUMIDIFIERS</u>

GF4400A FAN ASSIST HUMIDIFIER

The 4400A uses a very quiet cross-flow fan rated at 48dB, a 25% reduction in noise versus the rotary blade 1000. Uses "½" Push-On Valve with Shutoff in Place of Saddle Valve.

NEW — RECOMMENDED

Product Code	Description	Standard Package	Standard Weight (KG)
GF4400A	Fan-Assist Evaporative Humidifier	1	4.53
GFGA35	Replacement Vapor Pad	1	0.5

GF3200 EVAPORATIVE HUMIDIFIER

Flow through humidifier with MHX3 or GFX4 stat. Designed for lower plenum temperatures, fits tight spaces, new stainless steel water supply tube, smaller low profile cover, left or right by pass installation, water supply tubing for hot or cold water.

Product Code	Description	Standard Package	Standard Weight (KG)
GF3200DMM	Deluxe Flow Thru Humidifier w/ MHX3 Manual Humidistat	1	7
GF3200DMD	Deluxe Flow Thru Humidifier w/ GFX4 Digital Humidistat	1	7
GFGA10	Replacement Vapor Pad	1	0.5

GF4200 EVAPORATIVE HUMIDIFIER

Flow through humidifier with MHX3 or GFX4 stat. Designed for lower plenum temperatures, fits tight spaces, new stainless steel water supply tube, smaller low profile cover, left or right by pass installation, water supply tubing for hot or cold water.

Product Code	Description	Standard Package	Standard Weight (KG)
GF4200DMM	Deluxe Flow Thru Humidifier w/ MHX3 Manual Humidistat	1	8
GF4200DMD	Deluxe Flow Thru Humidifier w/ GFX4 Digital Humidistat	1	8
GFGA35	Replacement Vapor Pad	1	0.5

GF1042 EVAPORATIVE HUMIDIFIER

Flow through bypass humidifier with patented water distribution system. Includes integral bypass damper, wall/duct humidistat, 24v transformer, 6" plenum collar, 15' drain hose, and brass fittings. The Deluxe includes a cold water installation kit.

Product Code	Description	Standard Package	Standard Weight (KG)
GF1042DMM	Deluxe Flow Thru Humidifier w/ MHX3 Manual Humidistat	1	6.2
GF1042DMD	Deluxe Flow Thru Humidifier w/ GFX4 Digital Humidistat	1	6.2
GF990-13	Replacement Vapor Pad	1	1.0

GF1099LHS EVAPORATIVE HUMIDIFIER

Flow thru by pass drain type humidifier with patented Kinetic Flo® through water distribution system for maximum evaporative performance. Humidity control damper standard with 7" installation ring, solenoid valve, transformer and MHX3 humidistat

Product Code	Description	Standard Package	Standard Weight (KG)
GF1099LHS	Flow Through Bypass Humidifier w/MHX3 Manual Humidistat	1	8.6
GFGA23	Replacement Vapor Pad	1	0.5

GF5500 STEAM HUMIDIFIER

RECOMMENDED

Steam Humidifier with GFX4 stat. Duct mount kit included. Produces up to 28.5 gallons per day.

Product Code	Description	Standard Package	Standard Weight (KG)
GF5500	Steam Humidifier up to 5500 sq. ft.	1	6.81
GF55	Replacement Steam Cylinder	1	1.07

GF1137L FAN POWERED HUMIDIFIER

Drain type fan power humidifier for warm air plenum installations. Built in isolation relay feature provides 24V secondary voltage for control of fan motor .Includes solenoid valve, 110V power cord, 15' of 5/8"dia drain hose, valve & humidistat

Product Code	Description	Standard Package	Standard Weight (KG)
GF1137L	Fan Powered Flow Through Humidifier	1	8.12
GF990-13	Replacement Vapor Pad	1	1.0

HUMIDIFIERS

DSRDAH ROTARY DISC HUMIDIFIER

The Rotary Disc evaporative disc wheel contains 42 polycarbonate discs creating an unprecedented 15 square feet of surface area. Due to the large contact area between the water and airflow, the Rotary Disc design produces humidity even with room temperature (recirculation) air and is an ideal by-pass humidifier for Heat Pump applications.

Product Code	Description	Standard Package	Standard Weight (KG)
DSRDAH	Rotary Disc Humidifier	1	8.6
DPDS-AF15	Autoflush Kit	1	3.0

GF3200PFT PULSE FLOW THROUGH HUMIDIFIER

Patented electronic water flow control reduces demand for water by up to 88% compared to ordinary flow-through humidifiers. When in operation, the water supply solenoid valve is pulsed on for approximately 4 seconds, sufficient time to soak the entire evaporative pad. Humidifies up to 3200 sq. ft.

Product Code	Description	Standard Package	Standard Weight (KG)
GF3200PFT	Pulse Flow Thru with Patented Controller Humidifier	1	8
DPDS00200	Replacement Vapor Pad	1	0.5
DPHSA220	Solenoid (Water Hammer Assembly)	1	0.5

GF4200PFT PULSE FLOW THROUGH HUMIDIFIER

Patented electronic water flow control reduces demand for water by up to 88% compared to ordinary flow-through humidifiers. When in operation, the water supply solenoid valve is pulsed on for approximately 4 seconds, sufficient time to soak the entire evaporative pad. Humidifies up to 4200 sq. ft.

Product Code	Description	Standard Package	Standard Weight (KG)
GF4200PFT	Pulse Flow Thru with Patented Controller Humidifier	1	8
GFGA900	Replacement Vapor Pad	1	0.5
DPHSA220	Solenoid (Water Hammer Assembly)	1	0.5

LEGACY ELITE STEAM PARTS

STEAM CYLINDERS

Product Code	Description
GF15-14	Replacement Steam Cylinder for DS15
GF35-14	Replacement Steam Cylinder for DS35/RS35
GF35-15	Replacement Low Conductivity Cylinder for DS35/RS35
GF20-14	Replacement Steam Cylinder for DS20 & RS20
GF50-14	Replacement Steam Cylinder for DS50
GF50-15	Replacement Low Conductivity Cylinder for DS50

OTHER PARTS

Product Code	Description
GF20-4	Water Line Connector (For DS15P, DS2SP, DS25LC, RS15P & RS25P)
GF7531-15-50	90° Drain Adapter w/ Barbed Fitting (For DS15P, DS2SP, DS25LC, RS15P & RS25P)
GF20-1	Steam Nozzle (For DS15P, DS25P & DS25LC)
GFDPO30D22RU	12" 22mm 7/8" Steam Manifold with 9' Condensate Hose
GFDPO450D22RO	17 ½" 22mm 7/8" Steam Manifold with 9' Condensate Hose
GFCHK7513OO2	7/8 ID Steam Hose (6') Priced Per Ft. (For DS15P, DS25P, DS25LC & GF5500) (Formerly GF-20:2)
GF25-23	9' Condensate Hose ¼"ID (Pre Cut 9ft) (For DS15P, DS25P, DS25LC, RS15P & RS25P)
GF7611	Blower Filter Kit (For DS15P, DS25P, DS25LC, RS15P & RS25P)
GP81-60	10' Water Supply Tubing Kit
GF25-50	Wiring Harness including Drain Pump Wiring Kit (For DS15P/DS25)
GF12500	Air Pressure Sensing Switch
GFAP2	AP2 Accessory Conductivity Meter
GFX4	Digital Humidistat with Furnace Blower Controller
GF25-8	Drain Pump Tank Reservoir & Cover
GF50-27	3/8" Condensate Hose in DPO Kits (Per Ft.)
GFHC201	High Limit Humidistat
GF1312502AXX	Red O-Ring (For DS15P, DS25P &DS25LC)
GF25-12	Steam Cylinder Hose Adapter (For DS15P, DS25P & DS25LC)
GF15-5	Control Module/Board 120V (DS15P & RS15P)
GF15-6	Fill & Tempering Valve/Solenoid 120V (DS15P)
GF15-7	Drain Pump Assembly 120V (For DS15P)
GF25-1	Control Module/Board 230V (For DS25P/DS25LC)
GF15-1	Control Module 110V (For DS15, RS15 & 35)
GF35-1	Control Module 230V (For DS35/RS35)
GF25-3	Fill & Tempering Valve/Solenoid 230V (For DS25P/DS25LC)
GF25-7	Drain Pump Assembly 230V (For DS25P/DS25LC)
DPDS00325	1/2" Quick Connect Tee valve w/Shut Off
GF35-21	90° Drain Elbow

Standard Terms and Conditions

PRICING

All standard pricing is based on our current Distributor Price List Schedules, which is updated & distributed as required. Every effort is made to provide a minimum 30-day notification of a price change, however CGF reserves the right to change prices without notification.

SEASONAL STOCKING PROMOTIONS: CGF periodically issues stocking programs at special discounted net prices and terms. Refer to the program for specific details.

SPECIAL PRICE QUOTATIONS: If special price quotes are issued by CGF, a valid quote number must be shown on all related purchase orders. A valid quote will show validation date and expiry date, as well as part number, quantities, and terms. Quotes must be written and signed by a Canadian General Filters Ltd signing officer.

SURCHARGE, BROKEN CARTONS: A 5% surcharge will be charged if the quantity of goods ordered result in a broken carton. This surcharge is enforced in all circumstances, regardless whether the product pricing is regular, part of a seasonal promotion or specifically quoted.

ORDERING

Our minimum Order Value before H.S.T. is $250. A surcharge of $25 on all orders under this minimum will be applied.

For Replacement Parts Only, minimum Order Value before H.S.T. is $50.

Any incidental charges incurred will be the responsibility of the buyer, incidents include but are not limited to storing fees, docking charges, etc.

Customer Service is available by phone from 8:00am to 4:30pm EST Monday to Friday at 416-757-3691 or toll free at 1-888-216-9184. To minimize possible errors or miscommunication, we require that all purchase orders be faxed to CGF Products at 416-757-4687 or emailed to sales@generalaire.ca

ACKNOWLEDGEMENTS: All orders will be acknowledged by fax or email. It is the customers responsibility to advise of any changes or adjustments to the order as acknowledged.

FREIGHT TERMS

Unless otherwise specified, all shipments are FOB CGF's Midwest warehouse.

PREPAID FREIGHT: Filter cabinets & Filter media do not qualify for pre-paid freight! To qualify for Prepaid Freight, all orders for products that qualify must total or exceed $5,000.00 net (before taxes). To be more specific, the products not eligible for Prepaid Freight are: Air Filters, Air Cleaner Cabinets & Perfect Platforms. Customers can continue to submit orders inclusive of the excluded items and CGF staff will remove the non-eligible items & create a separate release. CGF will supply the information required for customers to organize their own transportation for non-eligible items. CGF offers a 2% freight allowance on the bottom of the invoice for non-eligible pre-paid products.

CGF will ONLY pay base freight, and not accessorial with respect to our $5000 Prepaid Freight.

SPECIFIC LIST OF INELIGIBLE PREPAID ITEMS:

GFMAC2000-11, GFMAC1400-11, GFMAC1200, GFMAC2020-11, GFMACL, GF1625-11, GF2025-11, GFGAFB2832-11, GFGAFB2843-11, GF4551, GF4541, GF4521, GF4556, GF4557, GF4366, GF4367, GF4368 and 6" furnace base models SF1728G, SF2128G, SF2428G

Standard Terms and Conditions

CREDIT TERMS

Standard credit terms for approved accounts are 1 ½ % 10, net 30 days.

DISCOUNTS APPLIED: Cash discounts for early payment are to be taken on the invoiced product value excluding freight and taxes
.

UNEARNED DISCOUNTS: To be eligible for cash discounts, accounts must be current and payment must be received by CGF Ltd no later than the discount due date. Unearned discounts taken will not be honored by CGF.

OUTSTANDING ACCOUNTS: If an account is past due, shipment of new orders will be held. Upon receipt of payment, shipments will be released accordingly.

CREDIT NOTES: With the exception of early payment discounts, customers are not entitled to make any deductions from payments without CGF authorization in the form of a Credit Note. We reserve the right to inspect and assess the product to determine applicable re-stocking charges, before issuing Credit Notes.

Goods returned for credit will be subject to a minimum restocking charge of 35%.

WARRANTY

Canadian General Filters Limited will warranty items upon review of our warranty coverage chart and purchase invoice.

The warranty covers product defects in materials and workmanship only. Defective parts will be repaired or replaced at the manufacturer's discretion without charge. Costs involved in the removal, re-installation and/or transportation of the defective part is not covered by warranty.

There are no express warranties other than those set forth above, the implied warranties of merchant ability and fitness for a particular purpose are limited in duration to one year. The manufacturer assumes no liability in connection with the installation or use of the products except as stated in this limited warranty.

The manufacturer assumes no responsibility and will not be held liable for incidental or consequential damages.

This warranty does not cover labour charges, failure due to abuse, improper use, normal wear and tear or consumables.

RETURN OF GOODS POLICY

ALL GOODS RETURNED: Whatever the reason, must have a Returned Goods Authorization (RGA) Number issued by our Customer Service Department, and must be returned within 14 days of issue of this RGA number. RGA must be clearly displayed on outside of package. All returned goods will be shipped prepaid unless otherwise approved and the paperwork must indicate the RGA number.

Goods returned for credit must be in the original packaging and must be in new saleable condition. All goods returned for credit are subject to inspection and acceptance by CGF and are subject to a minimum restocking charge of 35%. Additional charges may apply. CGF reserves the right to refuse returned goods due to age and condition of the products.

DAMAGED GOODS

If the shipment is prepaid, Canadian General Filters is responsible for carrier damages/shortages. An investigation with the transport company is then initiated

Non-prepaid or pick up shipments are not the responsibility of Canadian General Filters, customer must deal with the transport company directly for any damages/shortages.

Title to goods shipped via common carrier collect passes to the consignee upon acceptance of the shipment by the carrier. All claims for loss, due to shortage or damage, must be made to the Transportation company. Upon discovery of concealed damage, or shortage, notify the carrier agent at once and request an inspection.

All shortages must be reported within 24 – 48 hours of receipt of shipment for credits to be honored

---

Prices shown are based on carton quantities. 5% surcharge for broken cartons.
Our minimum Order Value before H.S.T. is $250. A surcharge of $25 on all orders under this minimum will be applied.
For Replacement Parts Only, minimum Order Value before H.S.T. is $50. All prices are subject to change without notice.
Any incidental charges incurred will be the responsibility of the buyer, incidents include but are not limited to storing fees, docking charges, etc.

Phone: 416-757-3691 | Toll: 888-216-9184 | Email: sales@generalaire.ca
